The following is an examiner's statement of reasons for allowance:

Each independent claim identifies the distinct feature of initiating a transmission from a transmitter external to a network, the network including a first receiver and a mobile radio telephone, a message to be signed to the first receiver. The closest prior arts of record fail to anticipate or render the above limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
